ORDER TO SHOW CAUSE

This matter is before the Court *sua sponte*. Federal Rule of Civil Procedure 4(m)
provides in part:

If a defendant is not served within 90 days after the complaint is filed, the court—
on motion or on its own after notice to the plaintiff—must dismiss the action
without prejudice against that defendant or order that service be made within a
specified time. But if the plaintiff shows good cause for the failure, the court
must extend the time for service for an appropriate period. . . .

More than 90 days have elapsed since this action commenced, and the record reflects that
Defendant C3 Pipeline Construction Inc. has not been served.

IT IS THEREFORE ORDERED that, no later than fourteen (14) days from the date of this order, Plaintiff must either effect service or provide the Court with a written explanation why service has not been effected. **If Plaintiff fails to respond within the time allotted, this action will be dismissed without prejudice.**
